

Trade mission to Niger

Marina Diboma

Head of External Affairs, NABC

Kingdom of the Netherlands

Background with Niger

2015:

- Incoming delegation of 10 companies from various sectors (agribusiness, logistics, textiles, traders...).

Safie Oignon Niger (also 2016) : the whole onion value chain. 22% of its turnover for export. Work already with Dutch seeds companies. Is looking for storage equipment.

2016:

- Incoming delegation of **12** companies from the Agribusiness sector
- Presence of CIPMEN : incubator based in Niamey with an important potential
- Presence of relatively important companies :

La Laitière du Sahel : milk product processing – turnover of 1.3m €. Looking for cold transportation, laboratory material and raw material.

Ferme Semancière Ainoma : 500Ha of fruits and vegetables seeds and products. Is looking for seeds and processing equipment.

2017 : First Dutch delegation to Niger!
