

AGRO AND SOLAR OPPORTUNITIES IN NIGERIA: EXPLORING INVESTMENT POTENTIAL

23 April 2024 | 14:45-16:30

Royal Tropical Institute - KIT, Amsterdam

As part of the **Africa Works! 2024** conference, themed 'Africa's Green Industrialisation/Made in Africa', we are delighted to invite you to the **country-focused session on Nigeria**. The session will delve into the theme "**Agro and Solar Opportunities in Nigeria: Exploring Investment Potential**". With the aim to provide a comprehensive overview of the investment landscape in Nigeria, the session will have a particular focus on **the agricultural and solar sectors**. Attendees can expect insightful discussions on **the current state of these sectors in Nigeria, emerging trends, investment opportunities, challenges, and potential strategies for sustainable growth and development**. The event will feature insightful speakers from both sectors, Q&A sessions and networking opportunities, offering participants valuable insights and actionable takeaways to capitalise on the investment potential present in Nigeria's agro and solar sectors.
