ABOUT NABC

NABC is the main Africa-focused business community in the Benelux. Our network consists of more than 250 diversified and engaged members, as well as a wide community of African and Dutch Ambassadors, sector associations, Chambers of Commerce, Investment Promotion Agencies and over 10,000 Africa-focused business contacts. NABC strongly believes that the private sector has a crucial role to play towards an Africa that is economically thriving and globally competitive in trade and investment. We aim to inform and connect businesses with Africa's opportunities and enable our community to make confident business decisions and succeed in Africa.
