Head of Trade and Investment Climate***

**A change...**

**Global Gateway reflects a change in the way EU approaches external action**

**The needs of partner countries**

**are combined with a stronger assessment of the  
EU strategic interests**

**to position the EU more prominently in a competitive world**

# Global Gateway: The EU's global investment agenda

**Global Gateway is our offer** to partner countries to tackle the infrastructure investment deficit

- **A principles and value-based offer**
- **Aligned with the 2030 Agenda:** supports the achievement of the SDGs
- **A 360° approach:** physical infrastructure investment + support to increase the development impact of the investment.
- **Support to the trade and investment enabling environment**
- **Implemented in a Team Europe approach:** EU, Member States, EIB, EBRD.
- **With private sector engagement, key to mobilise investments**

**#GlobalGateway #TeamEurope**

## Digital

The EU will support open and secure internet

## Climate and energy

The EU will support investments and rules paving the way to the clean energy transition

## Transport

The EU will support all modes of green, smart and safe transport

## Education and research
