

DELEGATE PACKAGE

DUTCH AFRICA POULTRY FORUM: PARTNERSHIPS FOR APPLICABLE SOLUTIONS IN THE AFRICAN POULTRY CHAIN

Are you ready to take your poultry business to the next level? Join the Netherlands–African Business Council (NABC) and Aeres Training Centre in the Netherlands from **19th–22nd of May 2025** for a practical **four-day programme** that brings together African and Dutch poultry industry leaders, innovators, and stakeholders. With Africa’s rapidly growing middle class and increasing demand for poultry products, this is your chance to explore applicable solutions, network, and create impactful partnerships.

WHY ATTEND?

UNLOCK OPPORTUNITIES

Discover how you can benefit from Dutch expertise in areas like feed production, breeding, housing systems, and disease control.

FOSTER PARTNERSHIPS

Collaborate with Dutch companies to tackle challenges and enhance productivity in your poultry value chain.

EXPAND KNOWLEDGE

Gain insights through workshops, field visits, and tailored training sessions designed to address critical sector challenges like feed costs and availability, disease management, and sustainability.

PROMOTE GROWTH

Explore investment opportunities and learn how to strengthen your business while boosting regional and international networks.

ABOUT NABC

NABC is the leading organisation for trade and investment facilitation for Africa based in the Netherlands. NABC strongly believes that the private sector has a crucial role to play towards an Africa that is economically thriving and globally competitive in trade and investment. NABC’s purpose is to inspire and connect businesses with Africa’s opportunities and to enable businesses in making confident decisions about when, where, and how to do business in Africa.

ABOUT DUTCH AFRICA POULTRY PLATFORM

The Dutch Africa Poultry Platform (DAPP) is a platform that brings together Dutch companies active in Africa’s poultry sector. DAPP members are desirous to contribute to the growth and development of Africa’s poultry sector in partnership with both public and private sector entities across Africa. The members represent the entire value chain, from farm to fork, and are well equipped to address all your poultry needs. The NABC is the convener and coordinator of the DAPP and together with the DAPP-members, NABC is ready to support the development of Africa’s poultry sector.

Let’s build a stronger and more resilient poultry value chain together!

19TH-22ND OF MAY 2025, THE NETHERLANDS

DUTCH AFRICA POULTRY FORUM: PARTNERSHIPS FOR APPLICABLE SOLUTIONS IN THE AFRICAN POULTRY CHAIN

DAY 1: THE DUTCH AFRICA POULTRY FORUM (MONDAY 19TH OF MAY)

Held at Aeres University of Applied Sciences in Dronten, the first day offers an engaging and insightful programme designed to connect African and Dutch stakeholders in the poultry sector. The day begins with tailored B2B matchmaking sessions, providing delegates with the opportunity to establish direct connections with Dutch poultry companies offering relevant solutions. This is followed by inspiring keynote speeches delivered by prominent industry leaders and government, addressing the future of the poultry value chain and opportunities for collaboration. Delegates will then participate in interactive breakout sessions focusing on key topics such as feed production, breeding, animal health, and housing solutions. The day concludes with a networking reception, fostering meaningful relationships and knowledge exchange among participants.

DAY 2: INSPIRATIONAL COMPANY VISITS (TUESDAY 20TH OF MAY)

On the second day, delegates will experience practical demonstrations of innovation and expertise by visiting leading Dutch poultry companies. Participants can choose between two dedicated tracks based on their interests and expertise. Track 1 focuses on feed production and breeding/hatching, showcasing practical techniques and technologies to improve productivity and efficiency. Track 2 highlights solutions in animal health, biosecurity, and housing systems, addressing critical challenges in poultry farming. These immersive visits not only provide hands-on exposure but also allow delegates to explore collaborative opportunities directly with the host companies.

DAY 3 & 4: TRAINING SESSIONS (WEDNESDAY 21ST & THURSDAY 22ND OF MAY)

Receive hands-on training at our knowledge partner Aeres Training Centre in Barneveld. Topics include poultry farming, feed production, and sustainable practices, delivered by expert instructors.

WHO CAN APPLY?

We invite **African poultry professionals** from Anglophone, Francophone, and Lusophone countries, including:

- Farmers and producers.
- Industry leaders and policymakers.
- Researchers and technical experts.

WHY THE NETHERLANDS?

As a global hub for poultry expertise, the Netherlands offers unparalleled innovation, cutting-edge technologies, and best practices to address the challenges in Africa's poultry industry.

TERMS AND CONDITIONS

Interested in joining the programme? The participation fee for the comprehensive four-day event is €1,000 per delegate. Please note that this fee does not include accommodation, local transportation (aside from transfers to programme activities), meals (aside from lunches), visa expenses, nor flights.

DEADLINE

Due to the visa handling process and time needed to arrange the programme, delegates must have confirmed their participation before the 16th of March.
