

WEBINAR:

DOING BUSINESS IN BENIN

7TH OF APRIL 2025, 14:00-15:15, MICROSOFT TEAMS

Join us for a practical **webinar on Doing Business in Benin** on **7th of April 2025**, from **14:00-15:15**, as part of the **Sustainable Agriculture and Water Trade Mission to Benin**. Experts will outline government priorities and economic opportunities for foreign investors in Benin. The session will showcase successful Dutch companies in Benin and explore available support for Dutch businesses abroad, including financing options. A panel discussion will cover opportunities and challenges for Dutch companies, with insights from businesses that have operated with and without external support. The session will end with a Q&A, allowing participants to interact with the speakers.

**LEARN MORE ABOUT THE
SUSTAINABLE AGRICULTURE AND
WATER TRADE MISSION TO BENIN**
