

WEBINAR: SUSTAINABLE AGRICULTURE IN BENIN

3RD OF APRIL 2025, 14:00-15:15, MICROSOFT TEAMS

Join us for a practical **webinar on Sustainable Agriculture in Benin** on **3rd of April 2025**, from **14:00-15:15**, as part of the **Sustainable Agriculture and Water Trade Mission to Benin**. Experts from both Beninese and Dutch agricultural sectors will discuss challenges such as climate change, low productivity (limited access to inputs), and market access, along with innovative solutions like climate-smart agriculture, crop diversification and improved access to technology and resources.
